

TheBornOfTexas.com Genealogy Website

1. My name is Freddie Gwendolyn Keith (Morgan) Bingham. I do not have a nickname, unless Gwen is it. I was called Gwendolyn (Gwenlun) by my folks. I was named Freddie after my great granddaddy (step) Fred Grant. A friend of my Dad & Mother knew a little German Refugee, when he was in Germany, who was named Gwendolyn. He wanted them to name Aunt Ruth that, but they named me that instead. Dad but tried
 2. I was born in Brady, Texas, July 10, 1925.
 3. Daddy & Mudder's families all lived in Brady, or nearby. Daddy had a Cafe.
 4. My Mother's sisters, Mother, and brothers lived in Brady. Uncle Roy, Daddy's half brother lived in Brady until he died. I think Uncle Earl lived in Brady for a while, and Aunt Nettie finally moved to Menard.
 5. We lived in so many places, I can't describe the houses. Daddy's Cafe burned down with no insurance, so we moved a lot. He tried so hard to make a living, then the depression came along, and no one made it who didn't already have it made. He also had asthma so bad he could not work all the time
